

Gauss Mathematics Contests

Our Chinese school math class happily offer Gauss Mathematics Contests. The final student count will **be due April 20**. If your student would like to join this contest, please contact Chinese school **Ms Qun Lu: < shen4@yahoo.com >** as soon as you can.

We need a student name, which grade test he or she would like to take. There is a contest fee for each student. We are not sure how much at this point, but it will be under \$10 for each student.

Here is information regarding this contest.

Gauss Mathematics Contests

The Gauss Contests are an opportunity for students to have fun and to develop their mathematical problem-solving ability.

Audience

All students in Grades 7 and 8 and interested students from lower grades. Yes, we do take 5th or 6th grade or even 4th grade if you want to try.

Date: May 16, 2019

Format:

25 multiple-choice questions
60 minutes
150 total marks
some calculators permitted

The Grade 7 contest and Grade 8 contest is written by individuals and may be organized and run by an individual school, by a secondary school for feeder schools, or on a board-wide basis. All marking of the Contests is done in schools to de-emphasize competition. More information for the organizing teachers is available. The Gauss Contests are an opportunity for students to have fun and to develop their mathematical problem-solving ability.
